**SANDIP NANA VATI CONSTRUCTION LLP -
VADODARA & SURAT**

M/S. Sandip Nanavati Construction LLP is the name behind many of the Vadodara, Gujarat's most advanced and prestigious facilities. Since 1988, we have been providing our clients with reliable solutions to their most complex construction challenges. Today, we are recognized as a leader in the industry for our strength in traditional construction methods and for our creative, fresh approach to cutting-edge technologies and delivery systems.

Our expertise spans the construction industry spectrum, from smaller renovations to multi-million dollar projects. We specialize in Heavy Industrial Projects as well as infrastructure projects.

Our success is driven by more than building some of the most advanced facilities for our corporate, institutional and government clients. More and more of our clients are turning to us for our distinctive ability to implement innovative project management techniques and to serve as a reliable provider of knowledge-driven solutions for their complex construction projects.

Our team of construction professionals offers a single-source solution for all of your construction-related needs. Whether it's restoration, site preparation, a new facility or facility renovation, we have the experience and personnel to provide the highest quality construction on schedule and within budget.

We support our clients from project inception, to the commissioning of the fully operational facility.

We at **Sandip Nanavati Construction LLP** are committed to maintain high ethical and important EHS safety standards. The Company is always looking for new ventures and challenges to excel at.
